An Amish Paradox: Diversity and Change in the World's ...

An Amish Paradox is a fascinating and thorough study of the world's largest Amish settlement, with all its diversity and dynamism. Hurst and McConnell offer keen observations on education, occupation, and health care, as well as insight into inter-Amish relationships and the place of those who leave the community.

An Amish Paradox: Diversity and Change in the World's ...

However, Amish vary in which technologies they permit, in the way they practice social shunning, their level of engagement with non-Amish people, approach to education, style of clothing, hair, and overall appearance, and many other ways. There is much diversity within Amish society. What does "Old Order" mean?
