modeled correctly to achieve a high-fidelity flight model. The Beechcraft Baron B58 in X-Plane has been modeled by our design team with a degree of accuracy that ensures its flight characteristics are very like the real aircraft. However, despite this, some differences will be apparent, because even the smallest

Many Flight Manuals are incorporated into other types of pilot's books, such as a Pilot's Operating Handbook or a Pilot's Operating Manual. It may have its own part number but is not available separately. This is not always the case; at times there is both a Pilot's Operating Manual and Flight Manual for an aircraft. Try searching for a POM or POH.
