Burden Of Proof Jag In

The burden of proof is the obligation of a party in a trial to produce the evidence that will prove the claims they have made against the other party. In a legal dispute, one party is initially presumed to be correct and gets the benefit of the doubt, while the other side bears the burden of proof. When a party bearing the burden of proof meets its burden, the burden of proof switches to the other side. Burdens may be of different kinds for each party, in different phases of litigation. The burd
