I believe that we have the choice: I preferred the living wonders of the God. I daily weigh up my whole life and I continue to regard the fiery brilliance of the God as a higher and fuller life than the ashes of rationality. ~Carl Jung, Liber Novus, Page 339.

#### **Carl Jung on "Belief" - Anthology. - Carl Jung Depth ...**

"For two personalities to meet is like mixing two chemical substances: if there is any combination at all, both are transformed." Carl Jung. Jung believed that it was not just our closest relationships that mattered, everyone counted, from co-workers to family, neighbors, and friends. Spending time with people that make us happy leads to a happier life, it's obvious. So it makes sense why having meaningful relationships with others is one of the key 5 elements of life and happiness.

Theory of the Unconscious. Jung also believed that the personal unconscious was much nearer the surface than Freud suggested and Jungian

therapy is less concerned with repressed childhood experiences. It is the present and the future, which in his view was the key to both the analysis of neurosis and its treatment.

### **Carl Jung | Simply Psychology**

Jungian analysts typically believe that the psyche is the source of healing and the drive toward individuation. Western religious tradition. Jung's assessment of Western religion arose both from his own experiences as well as from the psychotherapeutic work with his European clients. As a young man he had visions and dreams that were powerful and rich with meaning, yet he clung to Christianity.

### **Jungian interpretation of religion - Wikipedia**

Carl Jung. Jung considered it to be the main task of human development. He created some of the best known psychological concepts, including synchronicity, archetypal phenomena, the collective unconscious, the psychological complex, and extraversion and introversion .
