Interior Design Portfolio The Latest

For interior designers, a well-designed website shows off your design skills as much as the portfolio images you display on it. Creating a beautiful, carefully curated online space to showcase your work is another way of demonstrating to clients that you know how to make a room look compelling.

12 Carefully Curated Interior Design Portfolios - Format

An interior design portfolio is a combination of a design portfolio and a professional career portfolio. This particular kind of portfolio can be used for corporate work applications even if it does not solely contain a compilation of paper works and other business or corporate documents.

Geoffrey Bradfield, Inc. is a renowned, high-end interior design firm located in New York City specializing in creating daring, elegant and luxurious residences and offices for an international clientele.

Geoffrey Bradfield | Luxury Interior Design | Portfolio

Since a bachelor's degree is often the minimum requirement for design firms and becoming a licensed interior designer, focus on schools that offer bachelor's degrees in interior design. While you could save time and money by taking a shorter interior design course that only offers a diploma or other certificate, you'll find it won't carry nearly as much weight in the industry as a degree.

How To Become An Interior Designer - format.com

Your interior design resume should list all of your relevant work experience, education, volunteer work, competitions, publication, and awards. 6. Add business cards. Include business cards with your name and contact details in your portfolio so anybody who is interested will know how to get in touch with you.
