National Gallery of Art. View all 16th-Century Italian paintings. The first two decades of the 16th century witnessed the harmonious balance and elevated conception of High Renaissance style, perfected in Florence and Rome by Leonardo, Raphael, and Michelangelo. It brought together a seamless blend of form and meaning.

Italian Paintings of the 16th Century

From the second half of the 18th century through the 19th century, Italy went through a great deal of socio-economic changes, several foreign invasions and the turbulent Risorgimento, which resulted in the Italian unification in 1861. Thus, Italian art went through a series of minor and major changes in style.
