Paragraph 2: Solutions

Topic Sentence	There are many things that we can do to stop obesity but the most important is to create a nutritional culture at an early age.
Rules	That is to implement in elementary school certain rules about the kind of food that can be sold.
Examples 1-2	For example just fruit and nutritious meals. It is difficult to achieve this goal, but it is not impossible with the help of the government.
Exercising program	Also, an exercising program is needed. It should be implemented in elementary school as a complement o the nutritional culture for children. This program must arouse a sport spirit in them through sport clubs, which are going to be free.
Optional	Nevertheless, these activities will be obligatory in public schools and with a minimum of 4 hours per week. It is certain that this can work.
