Strays pack 1 Poetry by kazim ali, andrew grace, and Freya Daly Sadgrove. Strays is a project celebrating language loved, lost, and rediscovered. Printed and hand-bound in Buffalo by the Foundlings team, books in the Strays series capture experiments, excerpts, odd sequences, found poetry, and material from the cutting floor. Strays hang together, and are never sold individually — only in packs.

One way to "deal" with these unwanted babies was to leave them on the side of the road, in a remote area, or throw them into the sea. In the 16 th and 17 th centuries, infanticide was reaching an all-time high and the Catholic church's concern for the souls of these babies played a large role in the development of foundling homes, which offered another option to unwed mothers.

The Foundling Hospital in London, England, was founded in 1739 by the philanthropic sea captain Thomas Coram. It was a children's home established for the "education and maintenance of exposed and deserted young children." The word "hospital" was used in a more general sense than it is today, simply indicating the institution's "hospitality" to those less fortunate.
